

## ACA13 – Application to backdate a course enrolment or course drop date in PeopleSoft due to an administrative/system error

Submit the completed form via email to Kirsten Pryce (email [kirsten.pryce@uct.ac.za](mailto:kirsten.pryce@uct.ac.za))

### IMPORTANT

- Use this form to apply to have a course enrolment or course drop date backdated by the Student Records Office in the following circumstances:
  - the curriculum change request had been submitted timeously, however during subsequent processing by the Faculty Office the request was not backdated (include the date the curriculum change service request was submitted);
  - on the date of the submission of the curriculum change request the course had not yet commenced (this applies to non-standard courses), however during subsequent processing by the Faculty Office the request was not backdated (include evidence of start date of courses); or
  - where there has been clear evidence of an administrative process or system error.
